

The high-quality Philips mini cassette is the only cassette specially developed for dictation purposes. It's unique design guarantees long-lasting performance in professional dictation environments.

Top performance

- · Direct drive solution for avoiding tape damage
- · Supplied in a protective clip for safe tape handling
- Transparent window for quick indication of remaining recording time
- · Lets you record 30 minutes

Highlights

Direct drive solution

The direct drive solution, guarantees an ideal friction specification of the tape, avoiding tape tangle, or tape breakage.

Safe tape handling

Protective clip with dual functionality. It protects the sensitive magnetic tape and makes sorting easy.

Transparent window

The transparent window of the cassette housing gives quick indictation of remaining recording time.

Record longer

The Philips mini cassette allows you to record for 30 minutes.
